

Introducing Lolly.

OVERVIEW

- An elegant personal light with integrated USB charging facility.
- Offers 'standard' (Type A) USB and latest Type C USB ports.
- High power, long life LED light source.
- Tilting lamp head.
- Touch switch for on/off and 4-stage dimming.
- 'Powersave' auto-off (switches off light after 4 hours of inactivity).
- Small footprint and light weight – easily repositioned on the desktop to position the light exactly where you need it.
